

# Victorian Child Safe Standards Implementation Program

Because child safety doesn't just happen, we built a tool that helps businesses and non-profits easily manage their Victorian Child Safe Standard responsibilities.

**SAFEGUARDING**  
YOU

# Problem Statement

## The Problem

Many SMEs lack the necessary expertise, tools and **resources** to effectively manage their VCSS responsibilities.

## The Solution

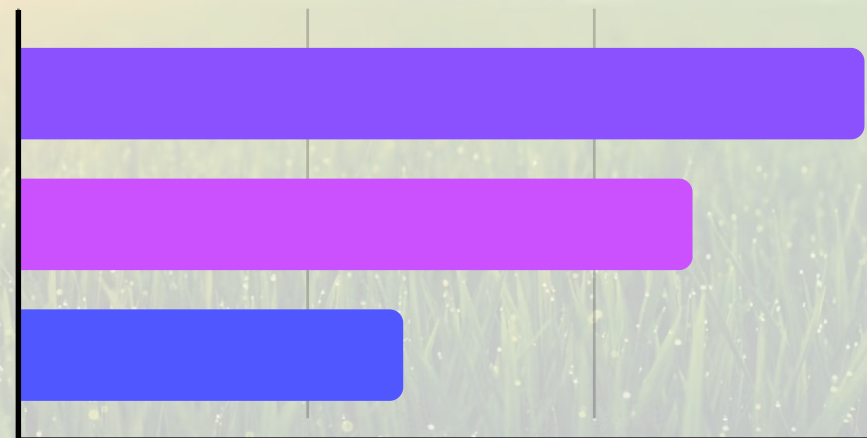

Practical and affordable tools and resources to help SMEs upskill and uplift safeguarding standards.

# Survey Response

Q: What Type of Support Is Most Needed to for Safeguarding Management?

**44%** Systems to Manage  
**35%** How to Resources  
**20%** Education Modules

# Why Now

Without effective safeguarding measures, businesses and non-profits risk harming young people and damaging their reputation and community trust.

**Solid Foundations**

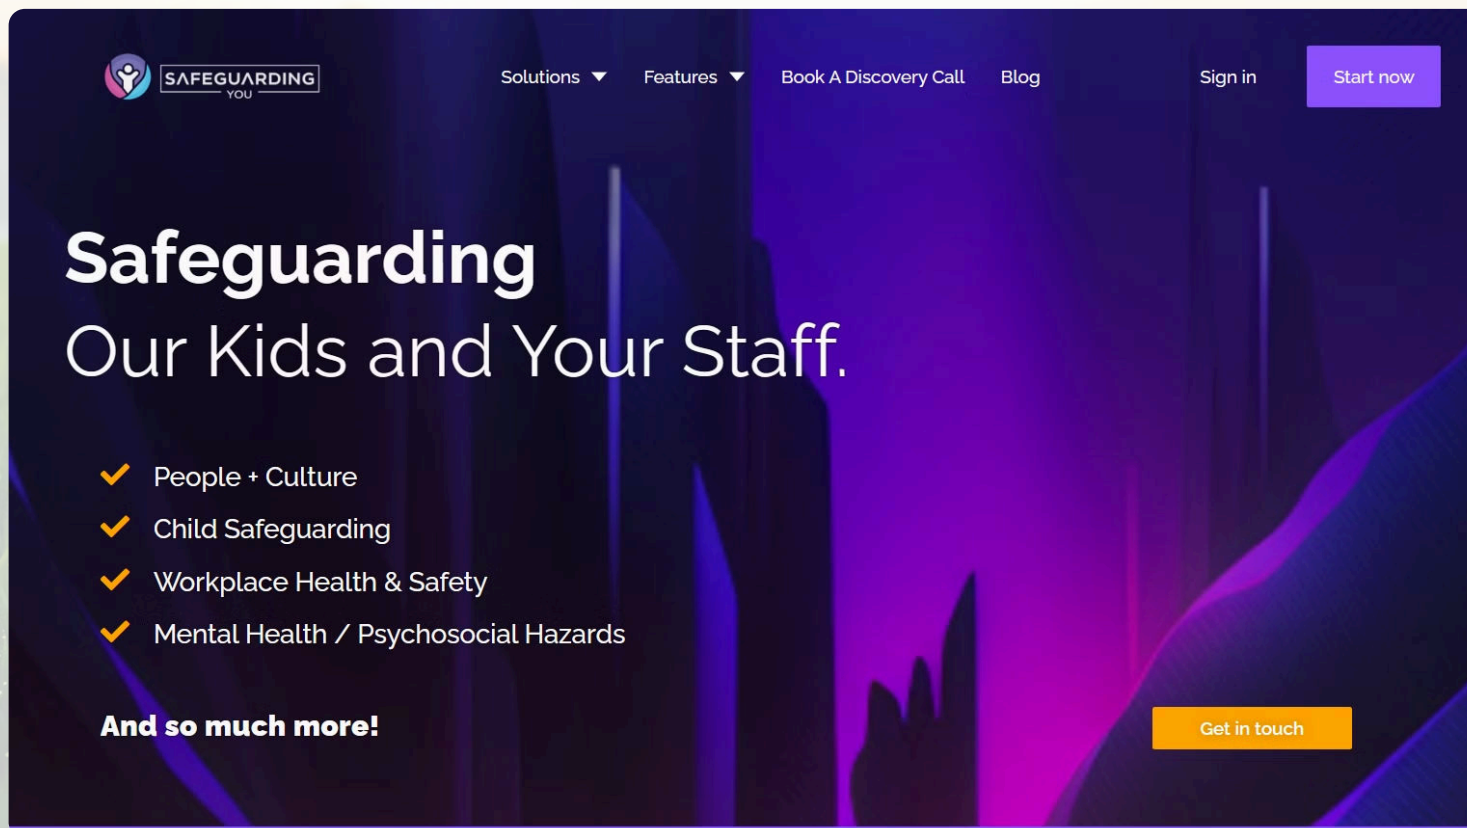

**Confidence & Trust**

**The stakes are high, with potential legal, ethical, and operational implications looming over clubs that fail to meet the necessary standards.**

# The Solution

An affordable automation tool and resources to help SMEs assess and improve safeguarding standards.

The screenshot shows the landing page for Safeguarding You. The background is a dark blue and purple gradient with abstract shapes. The top navigation bar includes the logo, 'Solutions', 'Features', 'Book A Discovery Call', 'Blog', 'Sign in', and a 'Start now' button. The main heading reads 'Safeguarding Our Kids and Your Staff.' Below this is a list of services with checkmarks: 'People + Culture', 'Child Safeguarding', 'Workplace Health & Safety', and 'Mental Health / Psychosocial Hazards'. At the bottom left, it says 'And so much more!' and at the bottom right, there is a 'Get in touch' button.
